The Colorado Open Records Act (CORA) is a series of laws designed to guarantee that the public has access to records at all levels of government in Colorado. Under CORA reports of incidents within Clifton Fire Protection District are public records. As such, any citizen may request a report. Fees associated with a records request are outlined in Resolution 17-08-0001, linked below. Some information is protected and may not be released. Please use the form available at www.cliftonfire.com to make your report request. Completed forms may be faxed to 970-434-5347 or emailed to cbalke@cliftonfire.com
